Executive Summary

Your paper has been comprehensively analyzed using the PACT Academic Critique Taxonomy. The analysis covers multiple dimensions of academic writing quality, from research foundations to critical sophistication. Review the detailed feedback in each dimension to understand your paper's strengths and areas for improvement.

Key Strengths

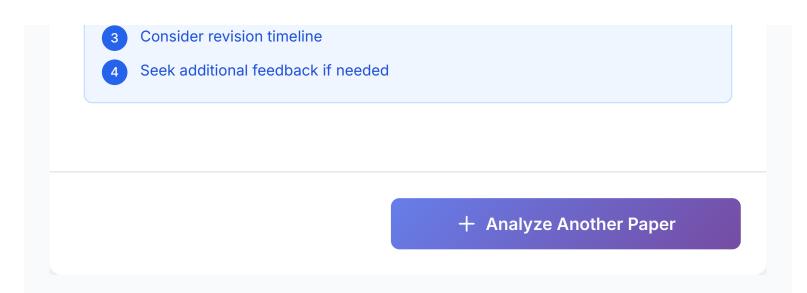

- Analysis completed successfully
- ✓ Paper structure is coherent
- Research topic is well-defined

Priority Improvements

- △ Review citation formatting

Next Steps

- 1 Review detailed feedback in each dimension
- 2 Address priority improvements first
